COMMONWEALTH OF VIRGINIA

STATE CORPORATION COMMISSION

AT RICHMOND, FEBRUARY 8, 2000

APPLICATION OF

BELL ATLANTIC-VIRGINIA, INC.

CASE NO. PUC990238

To implement extended local
service from the Blacksburg
exchange to the Dublin exchange

ORDER PRESCRIBING NOTICE

On December 14, 1999, Bell Atlantic-Virginia, Inc. ("BA-VA" or "the Company"), filed an application with the State Corporation Commission ("Commission") pursuant to the provisions of § 56-484.2 of the Code of Virginia. BA-VA proposes to notify its Blacksburg customers of the increases in monthly rates that would be necessary to extend their local service to include the Dublin exchange. The application states that telephone customers in BA-VA's Dublin exchange had earlier petitioned the Commission for local calling to Blacksburg. Using a cost study prepared by BA-VA, the Commission determined the increase in monthly rates that would result from the expansion of the Dublin local service area to include Blacksburg. Customers in the Dublin exchange were polled regarding their willingness to pay higher rates for local calling to Blacksburg. The majority of those responding supported the proposal.

Cost studies have been conducted to determine the monthly rates for extended local service from Blacksburg to the Dublin exchange. Because the resulting increase does not exceed five percent of the existing monthly one-party residential flat rate for Blacksburg customers, a poll is not required by § 56-484.2 of the Code of Virginia.

NOW, having considered BA-VA's application, BA-VA's proposed notice, and applicable law, the Commission is of the opinion that this matter should be docketed; that BA-VA should give notice of this application to its customers in the Blacksburg exchange; and those customers should be permitted to file comments and requests for hearing. Accordingly,

IT IS THEREFORE ORDERED THAT:

(1) This matter is docketed and assigned Case No. PUC990238.

(2) On or before April 3, 2000, BA-VA customers who may be affected by this proposal may file with the Clerk of the Commission written comments or requests for hearing about this application. Any corporation shall be represented by counsel in accordance with Rule 4:8 of the Commission's Rules of Practice and Procedure and shall file an original and fifteen (15) copies of any comment or request for hearing on or before the deadline. Individuals may file single copies. All comments or requests for hearing shall be filed with Joel H. Peck, Clerk, State Corporation Commission, c/o Document Control Center, P.O.

Box 2118, Richmond, Virginia 23218, and shall refer to Case No. PUC990238.

(3) A copy of this Order and the application shall be made available for public inspection at the Commission's Document Control Center located on the first floor of the Tyler Building, 1300 East Main Street, Richmond, Virginia 23219, from 8:15 a.m. to 5:00 p.m., Monday through Friday. A copy of the Company's application also may be obtained by contacting BA-VA's customer service center. Residential customers should call 954-6222. Business customers should call 954-6888.

(4) On or before March 1, 2000, BA-VA shall publish the following notice twice as display advertising (not classified advertising) in newspapers of general circulation in the Blacksburg exchange:

Customers whose rates are not listed above or who desire more information on this proposed change should contact BA-VA's customer service center. Residential customers should call 954-6222. Business customers should call 954-6888. Copies of BA-VA's application may be obtained by contacting BA-VA's customer service center or may be reviewed at the Commission's Document Control Center located on the first floor of the Tyler Building, 1300 East Main Street, Richmond, Virginia 23219.
